300 bushels peach seed, will pay 50c per bushel in nursery stock. The proper way to cure your seed is to make a seedbed of boards or plank to dry them on and stir every day until they are thoroughly dry, never pile your seed in a high bulk while they are green, as they will heat which prevents them from germinating. ## ST. LOUIS LIVE STOCK MARKET.

Special report to Ripley County Democrat National Stock Yards, Ill., August 10, 1915.—The hog trade was active and 50 higher today on a supply of 5000 head. The top was \$7.77 1-2. The bulk of the good 160 to 200 lb hogs sold at \$7.69 to \$7.75; pigs 100 to 140 lbs \$7.50 to \$7.75; light pigs \$6.50 to \$7.40; hogs 220 to 240 lbs \$7.20 to \$7.50 with heavy swine 260 lbs upwards at \$8.60 to \$7 and rough hogs at \$6.75 to \$6.

There is still a very slack demand for the stronger weight hogs, and competition is limited. We see nothing in sight to encourage us in the belief that the near future will offer any improvement.

Cattle receipts 4500. Fat steers 15 to 25c lower than last week's close; stock cattle 10 to 15c lower with all classes of butcher cattle 25c lower than Friday. Sheep receipts 5000. Lamb market 10c lower; city butchers top \$9; packers top \$8.90. The bulk of the good lambs sold at \$8.75 to \$8.90. Fat sheep 25c higher, bulk selling at \$8. Choppers and bucks \$4.50; canners \$3; breeding ewes at \$6.50 to \$7.25.

**Symptoms of Disease.**  
Red eyes, a "stuffy" nose, a flushed face, a tickling cough, a sore, hot throat—these are the early signs of scarlet fever, of pneumonia, of bronchitis, of typhoid, of smallpox, of measles, and often of diphtheria. So that all that enfolds is not cold by any means. And to keep a safe distance from anyone showing this combination of danger signals, or any part of them, will protect us from a score of dangers.

## Is Sickness A Sin?

If not, it's wicked to neglect illness and means of relief. It's wicked to endure Liver Ills, Headache, Indigestion, Constipation, when one dose of Po-Do-Lax gives relief. Po-Do-Lax is Podo-phyltin (May Apple), without the gripe. It arouses the Liver, increases the flow of bile—Nature's antiseptic in the bowels. Your Constipation and other ills disappear overnight because Po-Do-Lax has helped Nature to remove the cause. Get a bottle from your druggist to-day. Get rid of your Constipation overnight.

**Timely Tip.**  
Instead of using cotton batting in making baby quilts try table felting. It is best to shrink it first, and it tunders much better than cotton batting.

# INDIANA MAN HAD A DELICATE LIVER

Made Friends Think He Would Not Live, But Black-Draught Liver Medicine Brought Him Safely Through.

Loogootee, Ind.—Mr. Anthony W. U. son, of this town, says: "I was born with a delicate liver, which caused a disordered stomach, and my growth was affected by a case of malarial fever. I spent considerable money for treatments, but without any permanent relief."

I commenced using Thedford's Black-Draught at the age of 10, and continued until I was grown, and it cured me, and I consider it a rapid cure in a case like mine.

The people around here said I would never live to be a man, but Thedford's Black-Draught fanned them all.

I am now 27 years of age, and don't have to use Black-Draught only during the change of seasons, to tone up my system. As for my liver trouble, it is gone for good.

I have made many new friends for Thedford's Black-Draught, for it has merit to recommend it."

Thedford's Black-Draught has been the standard household remedy for disorders of the liver, stomach and bowels for over 75 years. You run no risk in trying it for your troubles.
